St. Andrew's Wins Pantex Middle School Science Bowl

St. Andrew's Episcopal School's Blue team won first place in the Pantex Plant Middle School Science Bowl held at West Texas A&M University.

Members of the team are: Jeremy Hassell, Rahel Tekeste, Nikit Desai, Thomas Britt and Emily Bivens. Sara Burkhard served as the team coach.

Sam Houston Middle School's Red team placed second after giving St. Andrew's its first loss of the day during the finals, forcing an addition round of rapid-fire questions and answers. The playoff game score was close until the last eight minutes of play when St. Andrew's pulled ahead.

Panhandle Junior High School's Gold team took third.

Hartley Junior High School team won the Sportsmanship award and \$250 for the school's science program.

B&W Pantex awarded the winning team \$1,000 for its school's science program. The second place team won \$500, and the third place team received \$250.
